Mr Abe Manley

Dear Sir

My reason for writing you is, That i have a boy here by the name of Leonard Strawther, better known as Jeff who is head over heels in base ball, every one around here would like to see him have a try out, with some professional team, he is a catcher + can play short stop, If you dont care to try him yourself Maybe you would be kind enough to help me land him else where, he is 21 years old, hoping you will consider this letter befor throwing it in the waste Basket

I remain very truly
Yours
Ed Strawther
